Root to Rise

3-Day Immersive Yoga Retreat in Norfolk
Fri 6th - Sun 8th June 2025

A 3-day yoga retreat hosted at Fishley Hall - a beautiful farmhouse property on the east coast of Norfolk, surrounded by 350 acres of private land.

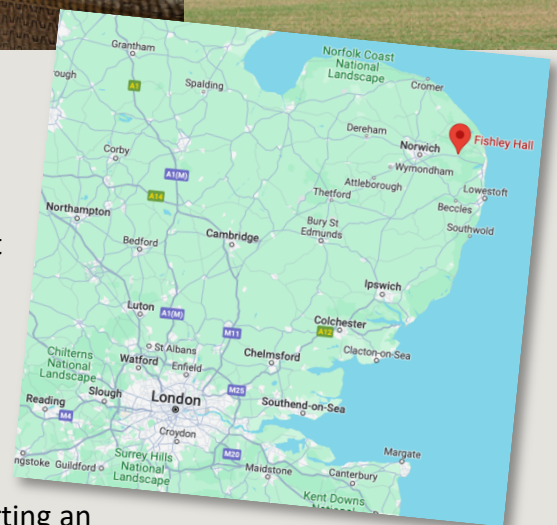

Set in idyllic surroundings, the retreat venue provides the perfect opportunity to reconnect with nature, recharging the mind and body from the inside out. The schedule offers a variety of yoga styles, including hatha, yin, restorative and meditation, based on a theme designed to encourage self-reflection and enhance wellbeing.

Retreat Centre Location

Fishley Hall provides an authentic countryside experience that will leave you feeling inspired and rejuvenated. Nestled in the Norfolk Broads, the family-run private estate offers a world of rustic charm and natural beauty. It's the perfect destination to unwind, recharge, and connect with nature.

The retreat location is situated close to the villages Acle and Upton, near the Bure Marshes National Nature Reserve, supporting an abundance of walking opportunities. In addition, Horsey Beach, just a 30-minute drive from Fishley Hall, is home to one of the largest colonies of Grey Seals in the UK (where they can be seen all year round).

Yoga Practices

Daily yoga will be provided from the Orangery, overlooking Fishley Hall's private gardens – a dedicated yoga space with underfloor heating, yoga mats, props and multiple doors opening out to countryside views. In addition, there are numerous outdoor spaces suitable for yoga, mindfulness, and meditation practices. The schedule also includes time for relaxation, self-care, personal reflection and social connections.

The retreat combines a wide variety of yoga styles and practices, including:

- Yoga Philosophy
- Hatha Yoga
- Slow Flow Vinyasa
- Yin Yoga
- Restorative Yoga
- Yoga Nidra
- Pranayama / Breathing Practices
- Guided Meditations
- Mantra and Mudra
- Mindful Journaling / Discussion
- Fire pit ceremony

Sessions are suitable for all experience levels, with adaptations and props used to support postures as and when appropriate. Students are encouraged to listen to their body and only do what feels nourishing and beneficial to them and their personal circumstances.

Each session follows the retreat theme: 'Root to Rise' designed to enhance wellbeing, personal development and transformation. Sessions will focus on establishing a strong, personal foundation, from which you can rise towards your best self. There will be time dedicated to building strength and resilience, as well as calmness and compassion, to enhance enthusiasm and clarity about the future direction of your life plans.
